Dear Friend,

On behalf of the Clinton County Make-A-Wish® Iowa Committee and the children we serve, we are asking for your support of our 25th annual benefit. This will mark 29 years we've served the Clinton area.

As volunteers, we have seen firsthand the impact of Make-A-Wish® Iowa. Wishes provides a vital reprieve to these amazing kids and their families, giving them precious time together away from the hospitals and doctors that are all too familiar for so many of the children as they fight their illnesses. Our Clinton Committee has helped grant wishes to children in Clinton, Camanche, Low Moor, Maquoketa, Preston and Goose Lake to name a few. As you can imagine, much time, effort and love goes into granting wishes. Our organization depends on a host of volunteers and donors to make these wishes a life-affirming reality and a one-of-a-kind memory. Our goal is to grant five wishes from the proceeds of our annual benefit, the average wish cost is over \$12,000 which includes both cash and in-kind donations.

You can help make wishes come true by being a sponsor of this event. Our sponsor levels are:

- Platinum \$1,000 and up (receive a table of 10 at the benefit)
- Gold \$500 - \$999 (receive 4 tickets to the benefit)
- Silver \$250 - \$499 (receive 2 tickets to the benefit)
- Star \$100 - \$249

All sponsors who commit prior to March 30th will be listed in the event program. If you would like more information, or to have a Make-A-Wish® representative speak with your organization please call 563-249-9016 or visit iowa.wish.org. Make-A-Wish® Iowa is a 501(c)(3) tax deductible organization. Please make checks payable to Make-A-Wish® Iowa.

With your generous support we can give a priceless gift of joy that celebrates life, love, and hope to some of Iowa's most extraordinary children and their families. We look forward to sharing a very special evening with you at the Vista Grande on April 4, 2020.

Sincerely,
